

Activity 2-5.
Leadership Discussion

The following are questions to be addressed by class participants:

- 1. What qualities reflect good leadership?

- 2. Relate one incident when you experienced what you perceived to be an abuse of leadership or supervision. How did you feel?

- 3. Relate one experience when you felt you led or supervised something well. How did it feel?

Dyad Interview and Recognition:

- Describe an experience where you advocated for a specific patient or a situation involving patient care.
